

The Rooftop Terrace

Germantown's best kept secret, our airy and open indoor/outdoor Rooftop Terrace is perfect for intimate gatherings such as small weddings, bridal & baby showers, receptions and meetings.

Easily set up as just an indoor space, the inside room features a built-in counter to use as a buffet. Outside, views of our tree-lined neighborhood makes for a fun and refreshing environment to have an elegant event.

"Our team was comfortable in the space, appreciative of the easy location and complimentary parking, and inspired by the private outdoor space accessible from the meeting room. The affordability allowed us to consider an evening program as well."

- Kim Jones, Nonprofit Village
